Sir,

With due respect, I would like to state that my wife needs to undergo necessary medical consultation and treatment in India. As her husband, I need to accompany her during the treatment and follow-up period.

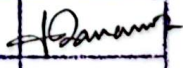

I, therefore, request you to kindly grant me permission to travel to India for the purpose of accompanying my wife for her medical treatment for a period of one month, from 22 September 2026 to 22 October 2026.

I shall remain highly obliged for your kind consideration and approval.
